

Information Sheet

DYNAMIK Sports Warranty

25 Year System and Installation Warranty

DYNAMIK

DYNAMIK are pleased to offer a 25 year warranty on all our area elastic sprung sports floor systems.

The warranty is our testament to the quality of individual components incorporated into our sports floor systems and the quality procedures we have introduced to ensure that all installations are carried out to a consistent high standard.

At all times we use components from the leading manufacturers in the sports market, including:

HARO

MONDO

Tarkett

HERCULAN

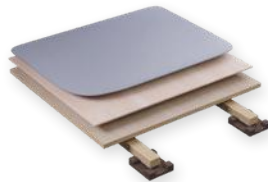

The quality that we insist on and the resulting 25 year warranty is a key reason why Basketball England, England Netball & British Wheelchair Basketball selected DYNAMIK to be their Official Partner. All our floor systems are Sport England compliant.

The 25 year warranty provides a specifier with confidence in selecting a DYNAMIK sports floor and an end user with peace of mind.

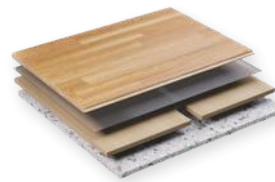

The warranty is supported by a range of care and maintenance services including:

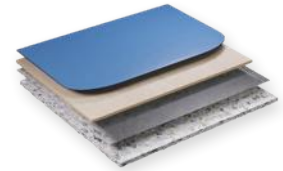

• Scrub & reseal

• Sand & reseal

• Line marking

• Floor protection

**Product specifications may be subject to change without notice, please contact DYNAMIK for the latest product information*

■ Sports Flooring

■ Acoustic Walling

■ Track & Gym

■ Maintenance & Protection
