

Sports System Warranty

25 Year System and Installation Warranty

DYNAMIK are pleased to offer a 25 year warranty on all our area elastic sprung sports floor systems.

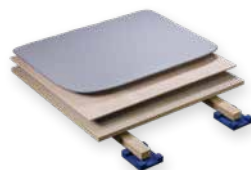

Our warranty is testament to the quality of individual components incorporated into our sprung floor systems, and the quality procedures DYNAMIK have introduced to ensure that all installations are carried out to a consistent, high standard.

Complimenting our systems, we use components from leading manufacturers, including:

Our enviable reputation for quality and performance are key reasons why Basketball England, England Netball, British Wheelchair Basketball and the British Basketball League (BBL) have selected DYNAMIK to be their Official Partner.

All DYNAMIK systems are Sport England and ESFA compliant, and meet the European norm for indoor sports flooring EN14904.

The warranty is supported by a range of maintenance & aftercare services, including:

- Scrub & Re-seal
- Chemical Clean
- Line Marking
- Floor Protection

As with any warranty there are obligations that end users must fulfil which are detailed within our Operations and Maintenance manual, provided with each project.

Playing surfaces such as sports vinyl, linoleum, rubber and PU, carry a 10 year manufacturers warranty.
